HOW TO PLAY KLAX

- Move joystick to position paddle and catch tiles as they fall off edge.
- Use "FLIP" button to place tiles in the front bins.
- 3 or more tiles of the same color in a row in the front bins scores a "KLAX".
- Paddle can hold a maximum of 5 tiles.
- Each of the front bins can hold a maximum of 5 tiles.
- Game is over when all bins are full or when all lights on dropmeter are lit.
