AMMO SELECTION Press the start button to change your ammunition—shotgun shells or bullets.

EXTRA AMMO Shoot the cowskull to get unlimited ammunition for a short period.

INSTANT HELP Shoot the dynamite to eliminate all visible outlaws.

DON'T SHOOT INNOCENTS Shoot an innocent person and you automatically lose one life.

LIVES Each star represents one life remaining.

DRAWS Keep your barrel pointed down. When "WAIT" disappears – shoot. A wanted poster will appear prior to a draw to warn you. If your barrel is not pointed down when the gunfighter appears, he will not give you a chance.
